CASCADE CONNECTION MEANS SAVING MONEY

With Cascade Airways, excellent connections are available to both domestic and international destinations. By virtue of "joint fares", you, as a Cascade passenger, may enjoy the savings provided by discounted fares when traveling continues via a major airline. The specific amount of the fare will always be less than the combination of each airline's local fare. For example, from Lewiston to Chicago, via Boise, the joint fare is \$149.00 while the Boise to Chicago fare is \$144.00. The actual cost to fly Cascade is \$5.00!

Not only do joint fares save you the costs of surface transportation and the inconvenience of hours of driving, traffic congestion, and parking problems, but assure you that your ticket will be written through to your destination. The next time you travel, remember the Cascade Connection and call Cascade Airways or your travel agent for the applicable "joint fare".

CASCADE INFORMATION

Founded in 1970, Cascade Airways provides reliable transportation to the Great Northwest with the jet-powered Beech-99 and Swearingen turboprops. For passenger convenience, Cascade offers the industry's most sophisticated computerized reservation system, developed by Braniff International. One call to reservations brings instant confirmation on airlines around the world—One ticket and your baggage is checked through to your ultimate destination.

CHILDREN

Any child under two years of age not occupying a seat will be carried free with each accompanying ticketed passenger. Children must be at least eight (8) years of age to travel unaccompanied. It is necessary that a child under 12 years of age carry with him the name, address, and telephone number of the party who is to pick up the child when he arrives at his destination.

RESERVATIONS

Reservations are recommended for all flights and may be made directly through Cascade, your travel agent, or any domestic or international airline.

CHECK-IN TIME

Due to new security regulations, we request that all passengers check-in at least 30 minutes prior to flight time. If a passenger has not checked in with an authorized Cascade agent 10 minutes prior to flight departure, reservations may be cancelled and resold. Cascade Airways cannot be responsible for missed flights or connections if a passenger fails to present himself at the ticket lifting point at least 10 minutes prior to the scheduled departure time.

BAGGAGE

Baggage up to 50 lbs., normally 2 pieces plus brief case or hand luggage will be carried free of charge. Excess baggage may be carried space permitting at the rate of \$3.00 per piece. Company liability is limited to \$250.00 per passenger unless a higher value is declared and applicable charges are paid before departure. Federal regulation require that all carry on luggage must be placed under the passenger's seat. There will be a \$3.00 charge for skis and oversized luggage.

CHARTERS

Our Beechcraft 99 fifteen passenger turbo-props can be chartered to points in the United States and Canada. For charter information, call our Charter Sales Department at (509) 838-4168.

SCHEDULES

Cascade Airways will not be responsible for damages resulting from failure to depart or arrive at the times stated in this time table, nor for failure to make connections with planes of another airlines or this company, nor for cancellations beyond our control when such action is deemed advisable. Schedules and fares are subject to change without notice. All times stated herein are local times.
