CASCADE INFORMATION

Founded in 1970, Cascade Airways provides reliable transportation to the Great Northwest with the jet-powered Beech-99 and Embraer Bandeirante. For passenger convenience, Cascade utilizes the industry's most sophisticated computerized reservation system, developed by Braniff International. One call to reservations brings instant confirmation on airlines around the world — one ticket and your baggage is checked through to your ultimate destination.

CHILDREN

Any child under two years of age not occupying a seat will be carried free with each accompanying ticketed passenger. Children must be at least eight (8) years of age to travel unaccompanied. It is necessary that a child under 12 years of age carry with him the name, address, and telephone number of the party who is to pick up the child when he arrives at his destination.

CHECK-IN TIME

Due to security regulations, we request that all passengers check-in at least 30 minutes prior to flight time. If a passenger has not checked in with an authorized Cascade agent 20 minutes prior to flight departure, reservations may be cancelled and resold. Cascade Airways cannot be responsible for missed flights or connections if a passenger fails to present himself at the ticket lifting point at least 20 minutes prior to the scheduled departure time.

BAGGAGE

Baggage up to 50 lbs., normally 2 pieces plus briefcase or hand luggage will be carried free of charge. Excess baggage may be carried space permitting at the rate of \$6.00 per piece. Company liability is limited to \$500.00 per passenger unless a higher value is declared and applicable charges are paid before departure. There will be a \$6.00 charge for oversized luggage. Due to FAA regulations, all carry-on baggage must be placed beneath a seat or collected and placed in a cargo compartment.

SCHEDULES

Cascade Airways will not be responsible for damages resulting from failure to depart or arrive at the times stated in this time table, nor for failure to make connections with planes of another airlines or this company, nor for cancellations beyond our control when such action is deemed advisable. Schedules and fares are subject to change without notice. All times stated herein are local times.

ZIP-IT GUARANTEES SMALL PACKAGE DELIVERY

ZIP-IT is the ideal way to expedite, and guarantee delivery of business or personal items that simply must be somewhere in a hurry. This is how it works:

1. Shipment must be presented at Cascade ticket counter at least 30 minutes prior to flight departure.
2. Package may not exceed 35 lbs./2 cubic feet.
3. Free insurance provided at 50¢ per pound valuation.
4. If not on specific flight, 40% refund.

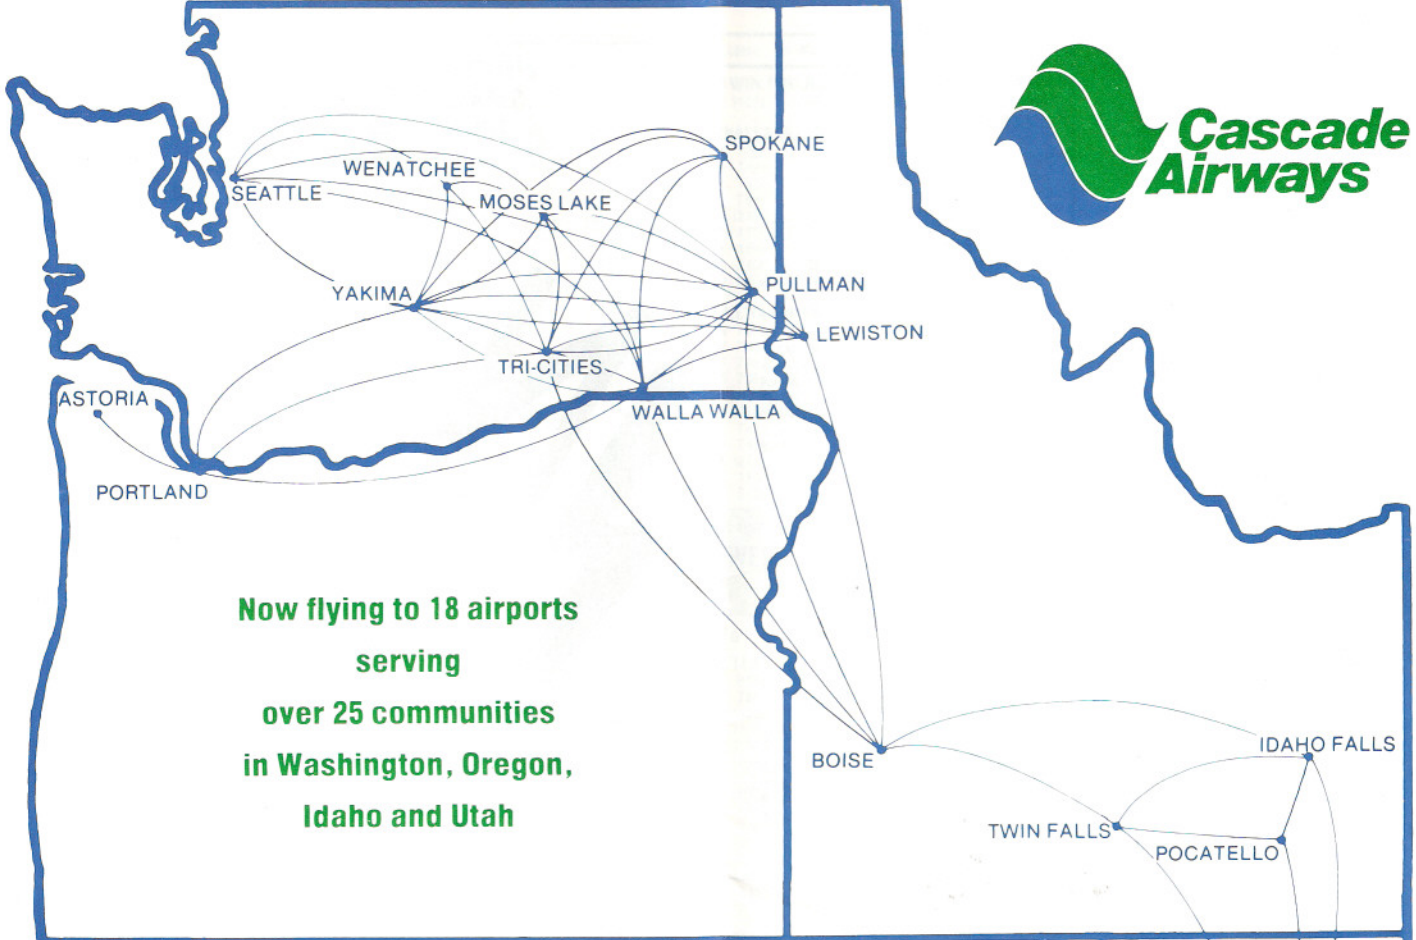

CASCADE AIRWAYS CARGO GENERAL COMMODITY

Air freight is carried on all Cascade flights. Contact your local air freight office for applicable rates.

WEIGHT LIMITATION

A weight limitation of 100 lbs. per piece applies, but no limit to the number of pieces per shipment. Pickup and delivery is available.

JOINT FARES SAVE MONEY

With 1150 carefully scheduled flights weekly between Cascade cities, excellent connections are available to both domestic and international destinations. By virtue of "joint fares," you, as a Cascade passenger, may enjoy the savings provided by discounted fares when traveling continues via a major airline. The specific amount of the fare will always be less than the combination of each airline's local fare.

Not only do joint fares save you the costs of surface transportation and the inconvenience of hours of driving, traffic congestion, and parking problems, but assure you that your ticket will be written through to your destination. The next time you travel, remember the Cascade Connection and call Cascade Airways or your travel agent for the applicable "joint fare."
