Saturday - January 15, 2011

Steve Schmokel "Smokey" passed away on December 30, 2010. You can view a video, biography, additional photo's and a short story from Larry Allen about Steve on the recently added Gone But Not Forgotten page on the website.

Also on the Recently Added Photo's page there are new photo's of Harry Koch and a new Mountain Air Aviation photo.

Sunday - May 25, 2008

A new photo has been added to the Home page. This is a repaint by Garry Smith exclusively for the Cascade Airways website. You can watch N2880A fly by clicking on the photo. You will not see this aircraft fly anywhere else except on the Cascade Airways website ! A new video has also been added (Cascade Reflections) to the Cascade Airways Video page. This presentation is a short look back and reflects on some of the former

Cascade employees who are no longer with us. More virtual reality aircraft coming soon, and with longer flights....

Monday - May 12, 2008

A new page has been added (Ron's page) which has video and photo's of rather a unique nature. All related to aviation which you may not see anywhere else. Please checkout the page to find out more details. The "Video page" has been changed to the "Cascade Airways Video page". The video's that where on this page have been moved to the "Other Interesting Stuff page". This move was made to use the page exclusively for Cascade related subjects, of which more are on the way.

A new photo has been added to the "Cascade Airways Aircraft" page on the website. The BAC 1-11 and Swearingen Metro PHOTO GALLERIES have new photo's as well. There are a few new photo's in the Employee Photo Gallery also.

A radio commentary about the Cascade Airways / Jimmy Stalwart radio commercial has been added to the "Radio Commercial" page and a new video (No Frills Airline) has been added to the "Video" page.

March 27, 2008

The Timetable page has been updated and many new timetable's have been added. Thanks to Mark Nilson and Captain Steve Schmokel for their help in adding many of the new Timetables.

March 20, 2008

New Photo Galleries have been added to the website with links at the top on the applicable pages. You can now link from the Beechcraft 99, Embraer 110, Swearingen Metro, Beechcraft 1900, HS-748, and Bac 1-11 pages to each of the photo galleries. The photo's in the afore mentioned galleries along with the various Cascade Airways Logo's are available for purchase. They are also available on "T" shirts, coffee mugs, etc.

A Radio Commercial page along with an Employee Photo Gallery page and a page for the Walla Walla Regional Airport have been added. You can link from the Radio Commercial and the Employee Photo Gallery page(s) to see more photo's and listen to one of the radio commercial's with graphics. All the photo's in the Employee Photo Gallery are free to download. The Radio Commercial page has the famous Walla Walla/Jimmy Stalwart commercial.

The HS-748 has a new slide presentation with the HS-748 Over the Blue Mountains.

Most of the video's and slide presentations also have link's to the CZWorld website and the Photodex website which provide better quality viewing.

January 5, 2008

A history page has been added and a page for the Embraer EMB-110 aircraft has been added also.

Several photos have been added to the HS 748 page.

A short video featuring a Cascade Airways EMB 110 operating at the Jackson Hole, Wyoming (JAC) airport during the filming of the movie "In Pursuit of D.B. Cooper" is now available for viewing on the video page.

A message board is now available on the People and Places page. You can post messages and also download photo's along with the messages.

A slide presentation (Somewhere In Time) along with new photo's has been added to the Mountain Air Aviation page.

More Timetables have been added...

December 4, 2007 Sorry for not updating this page since October, seems like time just got away from me. There have been numerous changes to the website over the last 45 days. Photos have been added to the BAC 1-11, HS 748, and Beechcraft 99 page(s). A slide presentation as been

added to the B-99 page (Title: The Last 99). More Timetables have been add. Lots of Newspaper Articles have been added also. On the HS 748 page there are photos of the new Walla Walla Airport Terminal built in 2000 and photo's of the terminal over 20 years ago and from September 2007. I will try to update this page on a more regular basis. I just received so much new material and got behind.
